

WAVELENGTH PORTS AND TERMINALS
ADVICE AND INFORMATION EXTENSION (LIABILITY)

This extension is to be read in conjunction with the Wavelength Ports and Terminals Liability Wording and the Policy provisions that apply therein.

Notwithstanding exclusions 3.14 and 3.15, but always subject to clause 5 of the Wavelength Ports and Terminals Liability Wording, and in consideration of payment of an additional premium to be agreed by Underwriters, and if shown as operative in the Insurance Schedule, this Policy shall be extended to indemnify the legal or contractual liability of the Assured:

For loss of income, less any savings, to any individual or organisation by whom the Assured is engaged for the supply of advice or information on the management of Insured Operation(s) for which the Assured is insured under the Wavelength Ports and Terminals Liability Wording whereby the Assured incurs such liability in consequence of the Assured's negligent act, error or omission, including documentation produced by the Assured, in the provision of such advice or information during the period of this insurance.

EXCLUSIONS

Notwithstanding anything to the contrary contained herein or otherwise, this Extension does not cover any actual or alleged acts of medical malpractice.

This extension shall be subject to the General Policy Provisions, and nothing contained in this extension shall operate to increase the overall Liability Section limit as specified in the Insurance Schedule.

This extension is subject to a section sub-limit as specified in the Insurance Schedule.
