

WAVELENGTH PORTS AND TERMINALS
WRONGFUL DELIVERY OF CARGO EXTENSION (LIABILITY)

This extension is to be read in conjunction with the Wavelength Ports and Terminals Liability Wording and the Policy provisions that apply therein.

Notwithstanding exclusion 3.7 of the Wavelength Ports and Terminals Liability Wording, and in consideration of the payment of an additional premium to be agreed by Underwriters, and if shown as operative in the Insurance Schedule, this Policy shall be extended to indemnify the Assured for:

Wrongful delivery by the Assured of cargo (for which there is a contractual obligation for delivery on the part of the Assured or the Assured's sub-contractor(s)) contrary to instructions to withhold delivery or without taking in exchange payment or the relevant document of title.

In the event that the wrongful delivery was caused intentionally or recklessly by the Assured or the Assured's sub-contractor(s), Underwriters shall not be liable for any claim(s) specifically to which a breach in this condition may apply.

This extension shall be subject to the General Policy Provisions, and nothing contained in this extension shall operate to increase the overall Liability Section limit as specified in the Insurance Schedule.

This extension is subject to a section sub-limit as specified in the Insurance Schedule.
